Welcome to the Gang Show!

Dear Friends,

This is the first time that the Copthorne Scouts have performed at the Hawth Theatre and for this opportunity we must thank the 'Friends of the Hawth' for sponsoring us. As our Founder said many years ago in his farewell message to all Scouts: "The real way to get happiness is by giving happiness to other people." In tonight's show we are trying to do just this, and to enable us to achieve this we have called on many friends for their help and support and it delights me to know that I have got it.

When the curtain goes up sit back and enjoy it for I am sure there are many who can look back and say "I remember when they made me do this."

Lastly, I would like to say a big THANKYOU to you the audience for coming, the Hawth management and staff, the parents, the supporters both back and front of the stage, the Scout and Guide Leaders and, most of all, the boys and girls for making this night possible. "Be Prepared".

Bill Sandys

Group Scout Leader - 1st Copthorne Scouts

On behalf of the Guides in the village, I would like to thank our Scouting friends for giving the girls the opportunity to take part in the Gang Show. We look forward to the next one!
