***We're Scouts & Guides from Copthorne.....***

and we offer you all a very warm welcome. Thank you for joining us at this our 9<sup>th</sup> adventure to the Hawth stage.

As you read this, everyone backstage is getting ready to bring you the Gang Show, running over their lines just one last time, putting final touches to the costumes and making sure everything is just right for their entrances. This year there are even more Scouts & Guides than ever before as we introduce 2 new units to the Village and to the stage; 2<sup>nd</sup> Copthorne Rainbows and Voyagers (Beavers). The cast includes members of all 14 of the Copthorne Scout & Guide units, supported by the Leaders, Scout Group Executive Committee and Friends of Guiding. Each one of them has made a tremendous effort during the 6 week rehearsal period and they will all be doing their very best to 'get it right on the night'

There is a 'new' in the Copthorne Silver Band too - the baton is with new Bandmaster, Peter Swann, tackling his first Gang Show with us...good luck Peter!

Our small army of volunteers have done a great job fitting everyone with costumes and building amazing props and scenery in the same short space of time and we are sure you will appreciate the results as they unfold before your eyes.

At our Gang Show 2 years ago we paid tribute to the Scouts Centenary, this year it is the Guides turn and we take a glimpse into their 100 years and celebrate the fun and enjoyment that Guiding and Scouting have brought to so many people.

We are all very proud of our young members and the efforts they have made to entertain you today.

Come, join the fun!

## ***Great Teamwork!***

COPTHORNE is the home for more than 250 members of the Scout & Guide Associations, all of whom are invited to take part in the Gang Show.

You will see all but a few on the stage today; others are helping backstage and front of house.

Gang Show fever seems to affect every member of the sections from the youngest Rainbow to the leaders, parents and supporters.

The wonderful thing is that each and every one of them is here by their own choice - no one has been auditioned or pressured and what you see is the natural talents of young and old. These young people are all Scouts & Guides and many of them will be experiencing a stage show for the first time.

Gang Show is a great team builder for everyone within the Sections where everyone is playing their part, in the props team where working together produces brilliant scenery and effects and the costume team busy sewing to make the best dressed youngsters in town.

Gang Show helps strengthen the ties between Copthorne Scouts and Guides but the Show is only a small part of Scouting and Guiding in the village. Aside from their weekly meetings, all sections are involved in activities, camps and training all year round.

The Leaders give their time voluntarily. They give many hours of time to ensure that both Guides and Scouts in all age groups are provided the opportunity to develop their skills in a safe environment.

And let's not forget our valued supporting committees, the Scout Group Executive Committee and Friends of Guiding. All working hard to provide our young people with the best facilities possible. A never ending task that they fulfil so well.

So you see, teamwork works!

## COPTHORNE SILVER BAND

The Copthorne Silver Band was formed in 1902, by Mr Gladman who lived in Crawley. At that time band members all lived in the Copthorne area. More than a century later, while many players are still from the village many others travel from Crawley, Redhill, East Grinstead, Haywards Heath, Sevenoaks and even Eastbourne! The band is very proud of it's history especially as it is the only brass band in the local area. It is hoped that this tradition will continue for many years to come.

All players are amateurs and give their time freely to play in the band. Coming from all walks of life the players include students, civil servants, office personnel, airport workers, taxi drivers and retired professionals. The age range of the band spans more than 60 years, with all members working together to make music for their own enjoyment and to entertain the public. The skill and dedication of the musicians ensures the continued success of the band. A warm welcome is extended to new members and visitors who are encouraged to come and enjoy the music at the Delmar Morgan Centre on a Thursday evening.

The Copthorne Silver Band play a wide range of music; light classics, show tunes, pop favourites and of course traditional brass band music. The band performs at a number of events throughout the year including fetes, carnivals, garden shows, local bandstands and private functions. Please contact our secretary for more details.

## Could it be you?

As you watch the show you may well be impressed by the strength of Scouting and Guiding in Cophthorne. You may well even be amazed at the organisation that makes this and our other events so successful.

Often our success can be our greatest problem. With success comes expectation but the fact is that beneath the calm exterior both the Scouts and Guides desperately need leaders if they are to meet those expectations. Parents expect their sons and daughters to be able to join when their children are of age and the new Beaver and Rainbow sections are testament to the two organisations efforts to meet these demands. It is expected that youngsters will be able to join their peers as they progress through the sections. Unfortunately this progression cannot be guaranteed.

The truth is we have a tremendous team in both movements who do all they can to provide the very best experiences and training for our young people. However, to maintain these standards and, in some cases, to preserve the very existence of the sections we depend on having enough leaders. This is particularly the case in both of the Scout Beaver sections and in the Guide Ranger section. Unless we find extra leadership for these sections soon their very existence is in jeopardy.

Our leaders are ordinary people, just like you. They recognise the benefits that being a Guide or Scout can bring to a young life. Working as a team, sharing talents, guiding and supporting them, together they achieve something very special.

So as you watch the young people on stage today, please consider this: If we are to see so many young people in the future in this or similar activities it will be because somebody came forward to offer their support as a leader.

## Children in Need 2009

It is part of the tradition of the Copthorne Gang Show that we hold a collection for the BBC's Children in Need charity. Many children are helped every year by this charity, which in 2008 raised an amazing £37 million.

Every penny raised finds its way to a charity or project that works to improve the lives of children and young people throughout the UK.

When we are enjoying and celebrating our own children's achievements it seems appropriate to remember those less fortunate.

As you leave the theatre after the show there will be a bucket collection in the foyer, please give generously.
