Making Memories?

Many parents out there will often find themselves asking 'do you remember when.....?' as they reminisce about their own past or perhaps proud moments and achievements in their childrens early years, or maybe a funny or naughty event that sticks with them and reminds them fondly of the people in their lives.

We were 'remembering when' recently as we thumbed through the Gang Show programmes and scrap books from our now 20 years at the Hawth. Those of you quick with the maths will realise that the Brownies and Cubs of the first show here are now probably parents themselves and yes, you've guessed it, some of their children are performing in this show today!

When people talk to us about the Shows they usually relate their favourite moment...maybe the moustache that fell off, the costume malfunction, the boys in skirts or perhaps the giggling girls. But most of all they remember a certain part of the Show, everyone has a favourite, be it an act that their own child performed in, something particularly funny or a very poignant moment.

So it seems that the Gang Show at the Hawth has made many memories for many people and we thank the cast and crew for once again helping to make a few more. We hope they will all look back at their time on the stage and 'remember when'.

So, as we wait for the curtain to rise, all that remains is for us to wish the cast good luck, to thank the valiant band of backstage helpers, seamstresses, builders and musicians for their invaluable efforts and to thank you for joining us.... let's have fun together making some more lasting memories.

COPTHORNE SILVER BAND

The Copthorne Silver Band was formed in 1902. All players are enthusiastic amateur musicians who give their time freely to play in the band. Coming from all walks of life the players include students, civil servants, office personnel, airport workers, taxi drivers and retired professionals. The age range of the band spans more than 60 years, with all members working together to make music for their own enjoyment and to entertain the public. The skill and dedication of the musicians ensures the continued success of the band. A warm welcome is extended to new members and visitors who are encouraged to come and enjoy the music at the Delmar Morgan Centre on a Thursday evening.

The Copthorne Silver Band play a wide range of music; light classics, show tunes, pop favourites and of course traditional brass band music. The band performs at a number of events throughout the year including fetes, carnivals, garden shows, local bandstands and private functions. Please contact our secretary for more details about joining the band or events.

Helping Hands....

On the stage during the performance you may notice a few adults, thoroughly enjoying themselves.

Rainbows, Beavers, Brownies, Cubs, Guides, Scouts, Rangers and Explorers and the events they take part in are only possible due to the team of volunteers who provide invaluable support.

The volunteers undertake a wide range of roles from helping to lead units, helping at fund raising events, to administration and accounts.

Volunteers also get the opportunity to participate in anything the Guides and Scouts are involved in and a few extra activities besides.

Why not volunteer to help with Guiding and Scouting and become part of an International Organisation with opportunities to enjoy yourself?
