# Memories are made of this!

Many parents often find themselves asking 'do you remember when . . . ?' as they reminisce about their own past or perhaps proud moments and achievements in their children's early years, or maybe a funny or naughty event that sticks with them and reminds them fondly of the people in their lives.

We were 'remembering when' recently as we thumbed through the Gang Show programmes and scrap books from our now 28 years at the Hawth and several years at the Village Hall before that! Those of you quick with the maths will realise that the Brownies and Cubs of the first show here are now probably parents themselves and yes, you've guessed it, some of their children are performing in this show today!

When people talk to us about the shows they usually relate their favourite moment . . . maybe the moustache that fell off, the forgotten lines, a stunning costume, the boys in skirts or an amazing piece of scenery. But most of all they remember a certain part of the show, everyone has a favourite, be it an act that their own child performed in, something particularly funny or a very poignant moment.

So it seems that the Gang Show has made many memories for many people and we thank the cast and crew for once again helping to make

a few more. We hope they will all look back at their time on the stage and 'remember when'.

Going back to the maths, you may also have worked out that we have gone from being quite young to quite old in those 28 years and, in the words of the Walrus, 'the time has come' . . .

Yes, the time really has come for us to step back and hand the reins to a younger generation who will be full of enthusiasm and exciting new ideas.

So, as we wait for the curtain to rise, all that remains is for us to wish the cast good luck, to thank the valiant band of backstage helpers, seamstresses, builders and musicians for their invaluable efforts and to thank you for joining us . . . let's have fun together making some more lasting memories.

## COPTHORNE SILVER BAND

The Copthorne Silver Band was formed in 1902. All players are enthusiastic amateur musicians who give their time freely to play in the band. Coming from all walks of life, members work together to make music for their own enjoyment and to entertain the public. The skill and dedication of the musicians ensures the continued success of the band. In 2018 the band were pleased to offer Chris Newport the position of Musical Director. Under his professional direction the band are enjoying music making, and continue to have a busy schedule each year. Members and visitors are encouraged to come and enjoy the music at the Delmar Morgan Centre on any Thursday evening, but particularly our termly open rehearsals, where they can sit back and enjoy, or pick up an instrument and join us.

The band play a wide range of music; light and contemporary classics, show tunes, movie themes, pop favourites and of course traditional brass band music. The band performs at a number of events throughout the year including fetes, carnivals, garden shows, local bandstands and private functions. Please contact our secretary or visit our website for more details about joining the band or booking events.

### **GRATEFUL THANKS FOR A MOST GENEROUS GRANT . . . .**

The Gang Show was extremely fortunate to be supported this year by the East Grinstead Common Good Trust.

The Trust is a Registered Charity from which the funds of the sale of the former East Grinstead Working Men's Club are used to support the local community.

The Trustees send this message:

It has been our pleasure to make a grant to the Children and Young People of the Copthorne Scouts and Guides this year in the execution of this Gang Show. The show gives our young people the opportunity and the confidence to develop their acting, singing and musical talents and we were pleased to learn that in the past individuals have gone on to have careers in the theatre.

## Helping Hands . . .

On the stage during the performance you may notice a few adults, thoroughly enjoying themselves.

Rainbows, Beavers, Brownies, Cubs, Guides, Scouts, Rangers and Explorers and the events they take part in are only possible due to the team of volunteers who provide invaluable support. The volunteers undertake a wide range of roles from helping to lead units, helping at fund raising events, to administration and accounts. Volunteers also get the opportunity to participate in anything the Guides and Scouts are involved in and a few extra activities besides.

Why not volunteer to help with Guiding and Scouting and become part of an international organisation with opportunities to enjoy yourself? Friends of Guiding and the newly formed Copthorne Scouts Active Support Unit are always pleased to welcome new members.

If you would like to find out more about Guiding please contact: Janette at [enquiries@girlguidingcopthorne.co.uk](mailto:enquiries@girlguidingcopthorne.co.uk) or for Scouting it's Owen at [copthornescouts@outlook.com](mailto:copthornescouts@outlook.com)
